Governance Strengthening Exercise: Outcomes-Based Board Meeting Calendar			
(Please complete the calendar named below and include it in the school's Ready to Open Progress Report in May).			
Last month's governance strengthening exercise asked you to create a report schedule so that you would be able to plan in advance for the various reports you are requiring from the lead administrator, third party organizations, etc. This month's governance strengthening exercise is asking you to create a full Outcomes-Based Board Meeting Calendar. This exercise should be a collaborative effort in developing a strategic board calendar mapping the monthly topics focused on:			
□ strategic improvement			
□ program oversights □ academic programs			
□ policy review □ paragraph designing			
□ personnel decisions			
[This exercise requires 1 product.]
